Welcome to Xplore Miller Grove After School Program. Xplore is an after school enrichment program for all Miller Grove students grades Pre K- 5!

We are very excited to have the opportunity to serve you and your children. From 3:30pm-6pm, your child can participate in a number of activities, enjoy a snack, and receive homework help. One of the most exciting things about our program is the clubs we will be offering. We will be providing your child with the opportunity to learn skills in music, writing, language, sports, and many more!

The following pages will give you insight into our daily schedules as well as information about the clubs that will be offered.

If you would like to enroll your child for the after school program, please fill out the attached enrollment form. You may return it to the Elementary School office or you may email it to jhensley@mgisd.net.

If you have any questions, or if you would like more information, please do not hesitate to contact us at 903-459-3288.

We look forward to seeing your children at Xplore Miller Grove After School Program.

Sincerely,

Julie Hensley
Program Director

Xplore is an after school enrichment program hosted by Miller Grove Independent School District. This program is designed to provide quality education experiences to the students of Miller Grove ISD, in a structured and safe environment.

Hours of Operation:

The program will be open for operation, Monday – Friday, 3:30 pm – 6:00 pm. August – May

We will follow the Miller Grove ISD current school year calendar. When the school campus is closed, Xplore will also be closed. Xplore will provide care on early release days.

Tuition and Payment:

This program is for children enrolled in the Miller Grove school district and designed for ages Pre K 3 through 5th grade.

Tuition is \$45.00 for the first child and \$40.00 for each additional child. **Tuition must be paid by check or money order.**

Early release drop in care is \$20.00 per day. The drop in fee is due the day of attendance. A two week advance notice is required, and enrollment is based on allowed space. Admission paperwork must be complete and registration fees paid for a child to attend the program.

Payments are due Monday, beginning the week of care. A late fee of \$15.00 will be added on Tuesday at noon if tuition is not paid.

Rates do not change due to attendance, holidays, or bad weather.

Tuition is not due for **full week closures**. Please see the MGISD 2019/2020 school calendar for full week closures.

Late pick up fee is \$5.00 for the 1st minute and \$1.00 per minute thereafter per child. Fees must be paid before attending the next day.

Returned check fee: \$35.00

Please make checks payable to: MGISD/Memo: Xplore

There is a yearly registration fee of \$10.00 per child. The registration fee is due for regular and drop in enrollment.

**Release of Children:**

Children will be released only to parents, guardians, or persons listed on the admission form with proper state identification. If someone, not listed on the admission form, needs to pick your child up from the program, you must notify us first in writing, and the person picking up the child must have proper state identification for the child to be released.

Illness and Exclusions:

Any child having fever of 100.3 or higher, diarrhea twice in one hour, vomiting once, or a rash that covers more than 1/3 of their body will need to be picked up from the program immediately. The child will need to be symptom free for 24 hours or have a written release from a physician before returning to care.

Dispensing Medication:

Xplore will not dispense daily medications. If your child is susceptible to a medical emergency where medication may be needed, we will need an authorized plan of action from your child's physician, along with all supplies needed to carry out the plan of action. If we have to dispense medication under these conditions, you will be responsible for signing the medication log of the program.

Medical Emergencies:

In the event of a medical emergency, if necessary, we will call 911 first, and CPR/first aid will be administered. We will then immediately notify the parents or guardians. If a parent or guardian cannot be reached, then a call will be made to the designated emergency contact on the admission form.

Parent Notifications:

Parents will be notified in writing at least 14 days in advance of any policy and/or procedure changes.

Animals:

Xplore will not have animals.

Field Trips:

Xplore will not host field trips away from the program.

Discipline & Guidance:

Practicing consistent, behavior guidance is one of the most important ways we can support your child's healthy development. Behavior guidance is the processes by which we help children identify appropriate and inappropriate behavior, learn appropriate problem-solving strategies, develop self-control, empathy, perspective, and self-esteem, while learning acceptance of self and others.

We will use praise and encouragement of good behavior, instead of focusing only upon unacceptable behavior, and redirect behavior using positive statements.

Children will be reminded daily of classroom rules and expectations.

Also, if necessary, we will use brief supervised time out, which is limited to no more than one minute per year of the child's age.

If at any time a child displays aggressive behavior, the following steps will be taken:

- 1st written warning - parent/teacher/director conference
- 2nd written warning - child will be suspended for 1 full day
- 3rd written warning - Director may determine that the behavior is beyond what our program is able to manage, taking into consideration the safety of all students and teachers.

Meals & Snacks:

Xplore will provide all children enrolled in the program with a well-balanced afternoon snack.

The snacks will be in accordance with CACFP federal food program guidelines.

A snack calendar will be provided for the parents each month.

Parents, please list all food allergies on the admission form.

Immunization/Hearing and Vision Requirements:

All children must have a current and up to date immunization record on file. Vision and hearing screenings are required for children ages 4 years and older.

Tuberculosis screening and testing is not required by our local health authority.

If you are a non-vaccinating family, you must provide a notarized affidavit form developed and issued by the Department of State Health Services. This affidavit is only valid for 2 years from issuance.

Enrollment/Registration

Parents are required to fill out the following forms prior to admission, including drop in children.

- Admission Form
- Immunization Record
- Enrollment Agreement
- Food & Allergy Emergency care plan, if necessary

All records will be reviewed monthly and updated on a yearly basis.

Water Activities:

Xplore will not have water activities.

Transportation:

Xplore does not provide transportation.

Insect Repellent & Sunscreen:

Parents may provide insect repellent and sunscreen for their children. Parents must label the product with the child's first and last name. It must be applied according to package directions. A note from the parent for application permission as needed. This item will be stored out of reach of children.

Open Door Policy:

Xplore has an open door policy. Parents are welcome to come and visit the program during operation hours. We do ask that you please be considerate of our activity schedule when visiting.

**Parent Participation:**

Parents who would like to volunteer or participate in the Xplore Program must fill out a volunteer application and have a completed a background check.

State Standards & Inspections:

You are welcome to review a copy of the state minimum standards at any time.

You may also view the Texas State Minimum Standards online at:

https://www.dfps.state.tx.us/Child_Care/Child_Care_Standards_and_Regulations/default.asp

Our most recent licensing inspection will be posted along with other required postings. If at any time you would like to discuss concerns regarding policy or procedures, please contact the program director.

Emergency Preparedness Plan:

Xplore will follow the Miller Grove ISD Emergency Preparedness Plan in accordance with the TXDFPS minimum standards. A copy of this plan is attached to the operational policies.

Under the Texas Penal Code, any area within 1000 feet of a child care center is a Gang Free Zone, where criminal offenses related to organized criminal activity are subject to harsher penalty.

Procedures for conducting health checks:

Health checks are an important part of daily care. This is when we observe and notice that a child is not acting his or her self, or we observe that a child is not feeling well; we will conduct a health check. This consists of taking temperatures, phone calls to parents, verbal and written communication stating observations that have caused concern. Even if your child does not fall into the qualifying category of illness and exclusions, if we find a child unable to participate comfortably in all activities of the program, you will be called and asked to pick up your child.

Tuberculin Testing:

Texas State Minimum Standards requires that all employees be free of active tuberculosis. According to our local county laws, Hopkins County does not require Tuberculosis testing for our employees.

Employee Vaccines:

At this time we do not require our employees to vaccinate for vaccine-preventable diseases.

Reporting Abuse & Neglect:

1. There are four basic types of child abuse, though children often experience more than one kind of abuse.

- a. Physical Abuse – Physical abuse includes actions such as beating, burning, or punching a child.
- b. Emotional Abuse – Emotional abuse may involve criticizing, insulting, rejecting, or withholding love from a child.
- c. Sexual Abuse – Sexual abuse includes rape, touching or fondling, or involving a child in pornography.
- d. Neglect – Neglect includes failure to provide for a child’s basic physical, medical, emotional, or educational needs. Leaving a young child home alone or failing to provide needed medical care may also be considered neglect.

2. Children who are abused may show physical and behavioral signs, or they may show sudden changes in their behavior or school performance. These signs don’t prove children are being abused, but they could be a signal that the children or their families need help. When children talk about being abused, take them seriously. Take steps to get help!

Methods for increasing employee and parent awareness of prevention techniques for child abuse and neglect:

- a. Educating parents and staff of warning signs.
- b. Required annual staff training on child abuse and neglect
- c. Making available informative handouts, articles, and training opportunities
- d. Providing helpful websites

All caregivers are required to obtain 1 hour of abuse and neglect training per calendar year.

4. What to expect when reporting suspected child abuse or neglect:

- a. When calling be prepared to sit on hold for as long as it takes. The hotline handles call for the entire state.
- b. You should have as much information as possible about the child and alleged person committing the abuse to provide while on the phone.
- c. Your identity is confidential by law; however, if the case was ever to go to court you could be called to testify.
- d. Leaving your contact information is encouraged but not required.
- e. If you choose not to leave your information, make sure you retain the reference number so you can prove you reported it.
- f. Remember you can be held responsible and child abuse charges brought up against you if you know about child abuse or neglect and do not report it.

5. If you suspect a child is in immediate danger, you should not wait. You should call 9-1-1 immediately.

General Signs of Abuse

Abused children may seem:
Nervous around adults or afraid of certain adults
Reluctant to go home
Very passive and withdrawn, or aggressive and disruptive
Tired a lot, or they may complain of nightmares or not sleeping well
Fearful or anxious

Signs of Neglect

Missing school a lot
Begging for or stealing money or food
Lacking needed medical or dental care
Being frequently dirty
Using alcohol or other drugs
Saying there is no one home to take care of him or her

Signs of Emotional Abuse

Acting overly mature for the child's age
Extreme changes in behavior
Delays in physical or emotional development
Attempted suicide
Lack of emotional attachment to the parent

Signs of Physical Abuse

unexplained burns, bruises, black eyes or other injuries
apparent fear of a parent or caretaker
faded bruises or healing injuries after missing school

Signs of Sexual Abuse

difficulty walking or sitting or indications of injury in the genital area
Sexual knowledge or behavior beyond what is normal for the child's age
Running away from home

Additional Information: The playground is maintained by Miller Grove ISD and is not in compliance with the TXDFPS Minimum Standards.

Requirements Regarding Gang-Free Zones **For Child Care Centers**

As a result of House Bill 2086 that passed during the 81st Legislature, Regular Session, Chapter 42 of the Human Resource Code includes section 42.064, effective September 1, 2009. This new statute requires that information about gang-free zones be distributed to parents and guardians of children in care at licensed child care centers. The following is a tip sheet to assist in complying with the new law. This information may be posted at your child care operation or copies may be provided to parents.

What is a gang-free zone?

A gang-free zone is a designated area around a specific location where prohibited gang related activity is subject to increased penalty under Texas law. The specific locations include day care centers. The gang-free zone is within 1000 feet of your child care center. For more information about what constitutes a gang-free zone, please consult sections 71.028 and 71.029 of the Texas Penal Code.

How do parents know where the gang-free zone ends?

The area that falls within a gang-free zone can vary depending on the type of location. The local municipal or county engineer may produce and update maps for the purposes of prosecution. Parents may contact their local municipality or court house for information about obtaining a copy of a map if they choose to do so.

What is the purpose of gang-free zones?

Similar to the motivation behind establishing drug-free zones, the purpose of gang-free zones is to deter certain types of criminal activity in areas where children gather by enforcing tougher penalties.

What does this mean for my day care center?

A child care center must inform parents or guardians of children attending the center about the new gang-free zone designation. This means parents or guardians need to be informed that certain gang-related criminal activity or engaging in organized criminal activity within 1000 feet of your center is a violation of this law and is therefore subject to increased penalty under state law.

When do I have to comply with the new requirements?

The law is already in effect, so providers should begin sharing information regarding gang-free zones immediately. Licensing staff will offer technical assistance to facilitate compliance until rules are proposed and adopted, which is estimated to occur in March 2010. In the meantime, providers should update their operational policies and procedures to include providing the information mandated by this law to the parents or guardians of the children in care.

For further information please contact your licensing representative or your local licensing office.

Keeping Children Safe

Reporting Abuse and Neglect

Texas law requires caregivers to report suspected child abuse or neglect to the Texas Department of Family and Protective Services or law enforcement.

Call **1-800-252-5400** to make confidential reports.

Failure to report suspected abuse or neglect is a crime.

Employers are prohibited from retaliating against caregivers who make reports in good faith.

Protecting Children

Shaken Baby Syndrome is the result of violently shaking young children. Injuries can include brain swelling and damage, subdural hemorrhaging, mental retardation and death.

NEVER SHAKE A BABY!

Sudden Infant Death Syndrome, or SIDS, is the unexplained death of a sleeping baby. Always place infants to sleep on their backs on a firm surface, free from soft items such as quilts, pillows or toys.

Unsafe Children's Products

Recalls of unsafe consumer products, including children's products, are available. It is easy and free to find out. Just go to the United States Consumer Product Safety Commission web site at

www.cpsc.gov or you may access the recall information at the Texas Department of Family and Protective Services web site at www.dfps.state.tx.us.

Keeping Children Healthy

Protect children from illness and disease:

- Wash your hands and children's hands often.
- Immunize children.
- Keep ill children at home.
- Learn CPR and First Aid.
- Make sure that children drink plenty of water.
- Discuss special-care needs with caregivers.
- Learn more about childhood diabetes, which impairs a body's ability to regulate blood sugar levels, and other medical conditions from your child's health-care provider.

Cómo mantener al niño fuera de peligro

Denuncie el maltrato y descuido

Las leyes de Texas exigen que los cuidadores denuncien cualquier sospecha de abuso, maltrato y descuido de niños al Departamento de Servicios para la Familia y de Protección de Texas o a las autoridades judiciales y policiales. Llame al **1-800-252-5400** para hacer denuncias confidenciales. No denunciar alguna sospecha de abuso, maltrato o descuido es un delito. Se prohíbe que los empleadores tomen represalias contra los cuidadores que hagan denuncias de buena fe.

Proteja a los niños

El Síndrome del Bebé Sacudido es el resultado de sacudir violentamente a un bebé. Sacudir a un bebé puede causar, entre otras cosas, inflamación y lesión cerebral, hemorragia cerebral, retraso mental y la muerte.
¡NUNCA SACUDA A UN BEBÉ!

El síndrome de la muerte súbita del lactante (SIDS) es la muerte misteriosa de un bebé mientras duerme. Acueste siempre al bebé boca arriba en una superficie firme y retire de su lado los artículos suaves como cobijas, almohadas o juguetes.

Productos peligrosos para niños

Existen listas de productos retirados del mercado, incluso los productos para niños. Enterarse de cuáles son es fácil y gratis. Solo tiene que entrar al sitio web de la Comisión de Seguridad de Productos del Consumidor de Estados Unidos en www.cpsc.gov o puede ver la información de productos retirados del mercado en el sitio web del Departamento de Servicios para la Familia y de Protección de Texas en www.dfps.state.tx.us.

Mantenga a su hijo saludable

Proteja a su hijo de enfermedades y padecimientos:

- Lávese las manos y lave las manos de su hijo con frecuencia.
- Vacune a su hijo.
- Mantenga a su hijo enfermo en casa.
- Aprenda resucitación cardiopulmonar y primeros auxilios.
- Asegúrese de que su hijo tome suficiente agua.
- Hable con los cuidadores sobre las necesidades especiales de cuidado.
- Aprenda más sobre la diabetes infantil, enfermedad que afecta la habilidad del cuerpo de regular los niveles de azúcar en la sangre. Asimismo, hágale preguntas a su doctor sobre otros padecimientos médicos.
