Rains County Voters,

Unfortunately, there was a clerical error which led to a lack of ballots for the MGISD school board election in Rains County. We are currently in the process of having paper ballots printed and they will be available soon at the Rains County voting precincts. These ballots are ONLY for the MGISD school board race. If you have already voted you may return to your voting location and obtain this new ballot. We apologize for any inconvenience. Please call Linda Wallace of Rains County at 903-473-5000 ext. 103 with any questions you may have.

Miller Grove ISD
