## A NOTE FROM MRS. FOX

As we go into the Thanksgiving break I am reminded of how thankful I am to be a part of the Miller Grove family. Your kids are a blessing to each of us! Enjoy this time with your family and have a blessed Thanksgiving!

## At-Home Practice

A parent is the child's most important teacher. If you have young children you can practice sight words and easy math facts. Older children can always benefit from vocabulary practice and multiplication drills. Any age child will benefit greatly from reading with their parents.

## Reminders

- Check your child's folder everyday for notes and updates
- LIKE us on Facebook
- Check the website for info
- Picture retakes are December 1<sup>st</sup>
- Order your yearbook early for a discount!
