## Official Statement

Last night we were notified of a terroristic threat against the school. Law enforcement was immediately called and deputies contacted the student and are conducting their investigation.

We are doing what we are required to do by law and Board Policy concerning discipline. There seems to be no immediate danger to the students or staff at Miller Grove ISD. Any additional information will be provided.

We take any threat to the students or staff seriously and deal with it accordingly.

Thank you.

Steve Johnson  
Superintendent  
Miller Grove ISD
