December 15, 2021

This evening, MGISD Administration was made aware of a possible threat against our school. Several Texas school districts have dealt with similar threats in the past few weeks, most stemming from social media. A multi-agency law enforcement investigation is underway. Law enforcement has informed MGISD administration that there have been no credible threats linked to MG at this time.

Please rest assured the safety of our children, staff, and community is our number one priority. Therefore, there will be added security on campus in the upcoming days. At this time school will proceed as scheduled for the remainder of the week. We will share information as it is appropriate.

Sincerely,

Steve Johnson
Superintendent
Miller Grove ISD
