Introduction

The second 2025-2025 SHAC meeting was held Wednesday, December 10, 2025 starting at 4:45 p.m. in the elementary library. Nurse Brandi opened the meeting by welcoming all in attendance.

Past, Current, and Future Events

Nurse Brandi reviewed the information discussed in the previous SHAC meeting as a refresher. The state immunization report has been submitted and all hearing and vision screenings have been completed. Carter blood drive is set for spring, as well as CPR training, and the Tucker's Law presentation has been set for January 29, 2026.

Nutritional Services

Angie English presented for the Cafeteria. Angie has been working with Region 8 closely to make sure all the boxes are checked for inspections. Everything is up to date and done at this time.

Nurse Brandi presented the updated Wellness Policy Assessment Tool. Discussed ways to share food nutrition values to students and families and discussion to attend the next food show at Region 8. Some changes have been made to the Wellness Assessment that need to be updated on the current wellness policy.

All recommendations will be sent to the School board on updating the FFA (LOCAL) policy to match all changes that have been made on the Wellness Policy Assessment Tool.

Physical Education

Coach Mellisa Rager spoke about physical education. Rager is currently working with the kids on basketball skills and drills. The older kids are about to start the archery unit. Rager will be adding a pickleball unit this year. The holes that were added to the MP gym for volleyball will open up the opportunity for volleyball to be added as well. That will be at a later time. The fitnessgram tests are set to be conducted in March and April.

Safety

Officer Bryant presented the continued safety precautions being done and implemented to keep Miller Grove safe and up to standard with all safety laws and regulations. No events or problems reported for the campus. All safety checks are routinely being done.

The table was open for discussion, questions, and ideas. Nothing was brought up.

Discussion for the next meeting for the spring semester, next meeting will be February 4, 2026.

Nurse Brandi made a motion to adjourn the meeting and all present were in favor.
