SHAC Meeting Minutes

April 29, 2026

Introduction

The fourth 2025-2025 SHAC meeting was held Wednesday, April 29, 2026 starting at 4:45 p.m. in the elementary library. Nurse Brandi opened the meeting by welcoming all in attendance.

Past, Current, and Future Events

Nurse Brandi reviewed the information discussed in the previous SHAC meeting as a refresher. Spinal screenings are set for February 17, 2026, Carter blood drive is set for May 5, 2026 as well as CPR training on May 4, 2026, we have Aurora Concepts coming out March 30th for 6th and 12th grade to get the needed vaccinations for 7th grade and college and the Tucker's Law presentation has been rescheduled for March 23, 2026.

Nutritional Services

Angie English - In the cafeteria we are just trying to wrap up for the end of the year. We are trying to use things we have so it doesn't expire. Trying to limit what we bring in so it doesn't sit all summer. Everything is going good.

Physical Education

Coach Rager stated that they have been really hard on work ethic and behavior. The kids finished up their Fitnessgram and all kids did well and it reflected in their data. 5th -12th grade finished up the archery unit. Next week a new pickleball unit will start for 3rd -12th grade. Field day is May 14th, it is going to be a fun-filled, competitive day!

Safety

Officer Bryant presented the continued safety precautions being done and implemented to keep Miller Grove safe and up to standard with all safety laws and regulations. No changes with safety for the campus.

The table was open for discussion, questions, and ideas. Nothing was brought up.

Discussion for the next meeting for September of the 2026-2027 school year.

Nurse Brandi made a motion to adjourn the meeting and all present were in favor.
