Introduction

The first 2026-2027 SHAC meeting was held Wednesday, September 23, 2026 starting at 4:45 p.m. in the elementary library. Nurse Brandi opened the meeting by welcoming all in attendance.

Past, Current, and Future Events

Nurse Brandi reviewed the information discussed in the previous SHAC meeting as a refresher. Hearing and Vision screening are to be done in October, Carter blood drive came September 2nd and we had a goal of 11 units and we got 13 units donated!!!! 7 units were from our high school students!!! Our next blood drive will be November 5th, 2026.

Nutritional Services

Angie English - The cafeteria is off to a good start and everything is running smoothly. We had grandparents lunch on September 15th. We had a huge turnout for that. It was a busy but good day

Physical Education

Coach Rager- stated that the middle school and high school students are constructing mini golf stations for putt putt activity for next week. Basketball will start up and will be done once every two weeks for the duration of the school year. The kids have completed the striking unit, had two weeks of bowling and played a variety of games and the kids learned a lot and had a lot of fun. The older kids took a fitness test 3-12 grade and got a baseline. They did a great job considering they are coming off of summer break. This consists of 1 minute of running, situps and pushups. We have not started a fitnessgram yet but the fitness test completed works on the same concepts. It has been a great start to a new school year.

Safety

Officer Bryant presented the continued safety precautions being done and implemented to keep Miller Grove safe and up to standard with all safety laws and regulations. We had a Secure drill on September 17, 2026. No changes with safety for the campus.

The table was open for discussion, questions, and ideas. Nothing was brought up.

Discussion for the next meeting looking at November 18, 2026.

Nurse Brandi made a motion to adjourn the meeting and all present were in favor.
